

I'm not attending the North Sea Flow Measurement workshop, but I'm interested to learn more about the Hilase product range.

- Send me general technical information
- Contact me by phone to learn more about the product
- Arrange a presentation at my location
- Provide a possible solution for the following application:

Component to be measured : _____

Range (% or ppm) : _____

Gas Matrix : _____

Response time requirement : _____

Monitoring/alarm/control : _____

Your contact details

Name : _____

Address : _____

E-mail : _____

Telephone : _____

Please fill in this form and return it by fax or e-mail to Hobré Instruments

Fax number : +31 299 42 33 02 | E-mail address : info@hobre.com
